It is the pilgrims' reward for their long march
and the church gives the spiritual blessing.*

The numerous awards (more than 60) from the DLG – including the gold medal „Prize of the best“ – and the European Beer Star, bear witness to the fact that we practice the brewing skill in the craft of brewing. These awards are, as it were, a „knighthood“ for our family brewery anno 1894 – above all for Dipl. Braumeister and Vice President of the „Private Breweries Bavaria“ Christian Sperber. He is supported by his longstanding employees, some of whom have been passionately practicing their craft at the brewery for almost 40 years.
